

GET IN THE GAME

FIRST® LEGO® League teams registered for the PLAYMAKERSSM and RePLAYSM season can participate across learning environments

GAME PLAY: Code and build a robot or model to solve problems and participate at in-person or remote events
Additional event fee may apply; requires robot/game field access

INNOVATION PROJECT: Identify a real-world problem, design a solution, and present work with advancement to the Global Innovation Awards Available to FIRST LEGO League Challenge teams

CORE VALUES: Learn how to use the FIRST Core Values to work together, have fun, and grow

AWARDS: Recognize and celebrate your team's achievements through awards

CAREER EXPLORATION: Learn about STEM careers and meet professionals in those fields
