

PRESENTED BY
Qualcomm

GET IN THE GAME

FIRST® Tech Challenge teams registered for the **ULTIMATE GOAL**™ presented by Qualcomm season can participate across learning environments

GAME PLAY: Solve the robot game challenge, participate at in-person or remote events, and compete for awards
Additional event fee may apply; requires robot/game field access

INNOVATION CHALLENGE: Identify a real-world problem, design a solution, build a business model, and deliver a pitch for judged awards through the Innovation Challenge presented by Qualcomm

AWARDS: Celebrate your team's achievements through event awards, Dean's List (student recognition), and Compass Award (mentor recognition)

SCHOLARSHIP & CAREER DISCOVERY: Current and past participants can apply for scholarships from *FIRST* Scholarship Providers and participate in additional career discovery opportunities
