**Use the Core Values to guide your team through your journey.**

**Have lots of FUN as you develop new skills and work together.**

**Draw or write an example of your team demonstrating each Core Value when directed in the sessions!**
Session 1

Tasks (20 minutes)

☐ Talk about Ruby and Jacob’s questions.
☐ Use the space below to capture your inventive ideas!
☐ Follow the building instructions in Book 1 to make the truck.
☐ Look at the mat and discover how the truck works!

Your team needs:

How is cargo packed and loaded onto vehicles?

What products need to be transported to and from your community?

Let’s Explore

Your team needs:

Tasks (20 minutes)

- Circle the routes the truck can take on the mat image.
- Draw your design of a truck that transports cargo.
- Label what products are in the cargo the truck transports.
- Share your creation with your team!
- Work as a team to build your amazing truck designs using the LEGO® prototyping pieces (Bag 4).
- Place your built trucks on the mat and show how they work.

DESIGNS

Draw your designs!
Let’s explore how cargo is transported to places all over the world.

Let’s think of ideas for different ways to transport cargo.

Let’s create a team model showing how cargo is sorted and transported to its destinations.

Share your ideas, your team model, and what your team has learned with others.
