

FIRST ENERGIZESM

PRESENTED BY **Qualcomm**

THE POWER IS YOURS

Join our energy-inspired robotics season

This is the moment to get energized to innovate. From the machines that move us to the food that sustains us to the wireless technologies that connect us, energy plays an essential role in keeping our world running. During our 2022-2023 season, **FIRST**® ENERGIZESM presented by Qualcomm, student robotics teams will reimagine the future of sustainable energy and power their ideas forward.

Innovation can't wait. Join us!
